Why Pick PeopleXact?

Human beings at the core

With a holistic approach, we help you improve your workplace one employee and one department at a time.

Insights to act on

Make improvements that make a genuine difference in people's lives. Our platform provides insights and tools to translate knowledge into action.

Easy-to-use

Intuitive dashboards and real-time reporting make it easy for managers to act, plan, and improve.

Stay ahead of the curve

Solve issues before they arise. PeopleXact delivers insights into focus-areas and action proposals for areas that may be out of balance.

Research-based

Our platform is built on the expertise of Ramboll's world-leading industry experts and tested by thousands of employees, managers, and HR-partners.

Security

On all fronts—your employees are guaranteed complete confidentiality in the surveys, and all data is securely stored on our own servers inside the EU.

PeopleXact: The foundation of your work environment

Learn how our HR-platform provides insights and tools to improve both job satisfaction and raise the bottom line.

We help you make a decent workplace good and a good one great!
